ODELO – LIGHTING TECHNOLOGY FOR THE AUTOMOTIVE FUTURE

The odelo Group has been one of the preferred series-production suppliers to well-known vehicle manufacturers for decades and meets all of the associated quality and technical requirements.

The company sets the standards in the production of rear and signal lights with the highest level of innovation, latest production processes and state-of-the-art technologies. ULO, as the international trademark of the odelo Group, supplies these products in original equipment quality to the independent aftermarket.

ULO – A SHINING EXAMPLE OF ORIGINAL QUALITY

ULO stands for uncompromising quality. Using sophisticated testing methods that simulate the 15-year service life of vehicles and a total distance travelled of 300,000 kilometres. ULO ensures that its products can also withstand even the toughest conditions. The

benefit for workshops is that ULO products guarantee a perfect fit and can be installed easily without the need for any follow-up work. The products also stand out due to their precise colour fidelity and constant light values – over the full lifetime of the vehicle.

ULO – A BRAND OUR CUSTOMERS AROUND THE WORLD CAN RELY ON

ULO places its focus at all times on the success of its customers with an intelligent and efficient logistics and service concept. Thanks to a comprehensive and strong sales network, you can be sure that all parts will arrive at the desired location at the right time – all around the world.
