CERTIFICATION IN ACCORDANCE WITH COMMISSION REGULATION (EU) NO 461/2010. BLOCK EXEMPTION REGULATION FOR MOTOR VEHICLES

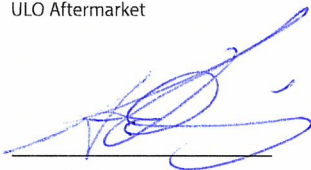

odelo - in its capacity as manufacturer of lighting and components for the original equipment market and the independent Aftermarket – hereby certifies that its products are manufactured in accordance with the highest technical and quality standards in the automotive industry.

In reference to the paragraph above, odelo GmbH declares and certifies that all its products are original spare parts or spare parts of equivalent quality, in accordance with paragraph (19) and paragraph (20) of the Commission Regulation (EU) No 461/2010 - Supplementary guidelines on vertical restraints in agreements for the sale and repair of motor vehicles and for the distribution of spare parts for motor vehicles (2010/C 138/05).

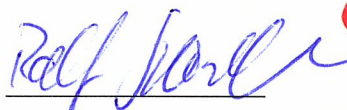

It is therefore permitted to use odelo original parts within the scope of repair and maintenance services for motor vehicles, also during the warranty period and without this causing the warranty to lapse*

Stuttgart, June 2017

Ralf Schönleber
Head of Sales

* "Moreover, in view of the vehicle manufacturers' direct contractual involvement in repairs under warranty, free servicing, and recall operations, agreements containing obligations on authorised repairers to use only spare parts supplied by the vehicle manufacturer for those repairs should be covered by the exemption." [(17) Commission Regulation (EU) No 461/2010].
